

NHLRMAC Meeting 09-20-25

The meeting was held at Mark & Heather Smith's garage in Melvin Village.

smith

Attending: Hosts: Mark & Heather Smith, Members: Carl Sneirson, Jim Opie, Nancy & George Wilmot, Bob Wood, George & Judy House

Mark shared the high points of the New England Meet held in Boxborough, MA. The gift the Minuteman Club gave was a very nice calendar, mostly of members' cars which included Smith's '29 Woody wagon with the canoe on top. (Most common comment was, "where are the oars?") Approximately 250 people attended the meet. Overall, the club did a very nice job. The Grand Tour was a lot longer than usual, well planned out except for the relief of those that were on standby left at posts to help with directions. The tour included beautiful scenic roads, and an ice cream stop at Kimbals in Lancaster.

Next year, the Worcester Region is hosting in Southbridge, MA. A week earlier than traditional dates.

October 18th meeting may include a tour. An announcement will be made via email prior to that date to confirm plan. Also, the October meeting will entertain motions for club officers: President, Vice-President, Secretary

New Club Hats are in and only a few are left. Let Mark know if you want one.

A Holiday party is being considered. If you have any ideas for that gathering. Please contact the Smith's.

Don't forget to check out our website: [HOME | NH Lakes Model A](#), Thank you Bill, for maintaining the club's site.

Judy

LRMAC Secretary
