

NHLRMAC Meeting 09/20/24

The meeting was held at George's Garage, Tuftonboro, NH

George met the Model A members in the garage upon arrival. They spent time reminiscing and viewing his collection. It was noted that George's collection is very eclectic.

Attending: Mark & Heather Smith, Bob & Joyce Wood, Nancy Wilmot: Hosts: George & Judy House

We moved indoors for a snack and the meeting.

Mark and Heather highlighted the 2024 New England Meet that was held in Connecticut this year. Heather claimed the winner of the handmade socks(a yearly goal), while Mark came home with various parts and tools. They were the only couple from NH in attendance. They report it was a great event, well run with celebrity Wayne Carini presenting a talk of his early involvement of Model A Fords through his father's involvement.

The 2025 New England meet will be in Boxboough MA, hosted by the Minuteman Region. 2026 Event will be hosted by the Worcester Club.

Upcoming events:

Castle Car Show – October 5

Sandwich Car Show – October 12th. This is at the Sandwich fairgrounds - \$10

There was a brief discussion on the importance of \$75 Insurance paid that covers the club's liability on any club sanctioned tour/event. Well worth the nominal fee for this coverage.

A lengthier discussion was held discussing getting youth involved in the car hobby. Bob Wood noted the vast number of deliveries made from Napa to the high school tech department. He and Mark Smith will revisit Kingswood Tech to see if there might be interest in students restoring a Model A.

Further discussion was to consider donating funds to the scholarship Model A Youth program and Youth Restoration program. We have donated to these two programs in the past and seems like valuable program that is viable and of interest to fostering interest in the automotive industry. We will vote on the amount at the next meeting.

Our next meeting will be October 19th, place TBA

Please send any changes of contact information to the secretary.

Before June, look for a renewal form to update membership for 2025.

Thank you, for coming to George's garage. You made his day!
