

NHLRMAC Meeting 10/26/24

Model A Club meeting

October 26, 2024 Started 9:10am

Held at Smith's garage, Tuftonboro

Those in attendance:

Heather and Mark Smith, Joyce and Bob Wood, Paul and Carol McGrath, Lil and Jim Shepard, George Wilmot, Jim Opie, Lucy and Bart Carlson and their daughter, who was visiting.

*Mark talked about the great job they did with the New England Model A Meet in CT. There were approximately 130 model A's in attendance! Everyone was able to stay at the same hotel, which was nice. More information on this meet is in the September minutes.

*Heather and Mark met up with some of the Worcester Model A club to attend the National Model A Restorers Club gathering in Asheville, NC. The Worcester Club put together a tour to Natchez State Park driving part of the Natchez Parkway- a 444 mile recreational road, scenic drive.

*The 2025 New England Model A Meet will be in Boxborough, MA hosted by the Minuteman Region.

*George mentioned that as much as Nancy enjoys sending pictures and information into the Restorer's magazine, she would appreciate suggestions, info and/or pictures to help with this. Please forward any information to her.

*Paul and Carol led a tour after the meeting to Poor People's Pub for lunch via the back roads. It was a beautiful day for a drive!

*Mark brought attention to the fact that the club needs a new President and Vice President. Treasurer and Secretary will remain the same.

Next meeting: November 16 - Host TBA
