Subject: Please share with your Model A Club chapter members.

Fellow MAFCA Members

I would like to let you know who I am as I am running for the MAFCA Board of Directors for the calendar years of 2026-27.

My name is Dennis Thompson and I live in South Weber Utah. I belong to the Beehive Model A Club of Northern Utah. I currently own four model A's including my latest project, a 1929 Pickup that I converted to electric.

I retired in 2019 from Autoliv as a Process Engineer/Project Manager in Technical Support and have extensive experience organizing and managing projects.

I have been active in the Beehive Model A Club and MAFCA since 1996. I served two terms as President and two terms as Vice president of the Beehive Club. I was responsible for organizing and overseeing the Raffle Room, Hospitality Suite, and Bus Tours for the 2024 National Awards Banquet in Salt Lake City.

I believe the future of our Model A hobby depends upon attracting new members. I enjoy helping others get their vehicles in dependable shape and teaching them to trust their work. I am an advocate of helping others by teaching them how to do the work instead of doing the work for them.

Please vote for me in the upcoming elections for the MAFCA board.

Sincerely
Dennis Thompson
