Correction of minutes recorded September 20, 2025: Next year the New England Model A Meet: the Worcester Region is hosting in Southbridge, MA a week **LATER** than traditional dates.(originally stated earlier)

It was decided to have a Christmas party.

SAVE THE DATE: The Christmas Party will be hosted by Bob & Joyce Wood on **DECEMBER 10**, 3pm at their home on 54 Durgin Rd, Ctr. Tuftonboro NH. More details to come.

After careful consideration of the club's future; it was decided to replace monthly meetings with a monthly tour. Could be a short or long tour. Short as an ice cream run or long as an overnight somewhere of your choice. This would be up to the membership to step up to plan. The current secretary will email tour details to members.

MAFCA membership includes insurance for activities. Therefore, it is in our best interest for our club to maintain its status of a club. (Obtaining our own insurance is cost prohibitive.) MAFCA membership requires a list of officers. Since no one has stepped forward, current officers will be listed for one more year. Following years will require you to volunteer to be listed as an officer. Understand that the office is not requiring you to do anything.

The viability of the club is in your hands, if you have other ideas, please reach out to share with Mark. Smithmh9@gmail.com

Bob Wood presented a need of the Tuftonboro Historical Society to replace the porch floor. A short discussion on the history of the Historical Society's building was amusingly retold by Dave Ladd. Furthermore, Neal Hussey pointed out that since we are not entertaining running another New England meet, we do not need the cash on hand once needed to run big events. A gift of \$1,000 was voted for supporting the Historical Society and unanimously approved.
